Giant Parrot Tulips

NOW at Popular Prices

The new giant Parrot Tulips of late introduction are an outstanding feature in every spring garden. The blooms are truly huge, and the stems stronger and taller than the old kinds. The group flowers one week later than the Cottage, Breeder, and Darwin varieties. Huge twisted petals in bright colors are spotted and splashed with green markings. The outstanding Tulip for cutting as well as show in your garden.

BLUE PARROT. Illustrated. Bright violet and mauve outside; inside purple shaded steel-blue. Enormous flower on stiff stem 29 inches tall.

ORANGE FAVORITE. Bright glowing orange with green blotches and a yellow base. The delightfully fragrant blooms have good substance, carried on erect strong stems.

RED CHAMPION. A fiery carmine-red shaded rosy-red. This is a sport of Bartigon Tulip, free blooming with huge flowers on strong stems 21 inches tall.

SUNSHINE. Illustrated. The large shaggy blooms are bright golden yellow with deeply cut petals. The finest yellow Parrot Tulip. Height 16 inches.

THERESE. Illustrated. Outside of petals are bright cherry-carmine; inside color is vivid cerise-scarlet. Outer petals are marked with green. Blooms often 8 inches across on 28-inch stems.

FANTASY. Illustrated on page 7. A beautiful bright shade of salmon-pink with darker shade inside each petal. This is a sport of the popular Clara Butt Tulip. Height 27 inches.

Any of the above varieties: \$1.25 per doz.; 25 for \$2.35; 50 for \$4.50; 100 for \$8.50.

ENJOY THE FIRST SIGNS OF SPRING

Miscellaneous Bulbs for Fall Planting

CAMASSIA ESCULENTA

One of the very desirable native American bulbs for full sun or semi-shaded spots. The large deep lavender 6-petaled star-shaped flowers are carried on graceful spikes 2 feet tall. Each stem shows about 25 buds which begin to open from lower end and gracefully open to the top. June blooming. Plant 4 inches deep. Very hardy. 12 for 75c; 50 for \$2.50; 100 for \$4.75.

LEUCOJUM AESTIVUM

(Spring Snowflake)

Like a giant Snowdrop with stronger growth and larger flowers on 8- to 9-inch stems. In late April, lovely white bells tipped with green make a fine show above the long narrow foliage. Very hardy. 12 for \$1.15; 25 for \$2.00; 100 for \$7.00.

Mertensia

MERTENSIA

(Virginia Bluebells)

One of the finest spring flowers. Large clusters of tubular flowers opening pink and turning into lovely sky-blue. Blooms with the Daffodils, continuing during the May flowering Tulip season. Grows about 18 inches tall. Sun or partial shade. Plant these roots 5 inches deep and they will last for many years. 6 roots for \$1.00; 12 for \$1.85; 100 for \$14.50.

Dutch Iris
